

Ashfield Boys' High School

Information Booklet

Year 8

2018-2019

A WORD TO OUR YEAR 8 PARENTS

At Ashfield Boys' High School, we believe that parents have a critical role to play in the education of their children. We are certain that, like us, you are ambitious for your son and that you will take an active interest in his education and make him aware that you care.

Please make sure that he is adequately equipped in terms of uniform, schoolbag, USB pen drives, pens and pencils and Physical Education clothing (**PE kit only available from Podium 4 Sport**) and footwear.

There are a number of occasions throughout the school year when you will be invited to meetings or information evenings. We would highly recommend that you attend on these occasions or on any other occasion by appointment when you think it necessary. Parents of Year 8 pupils are invited to visit the school in October in order to discuss, with the Form Teacher and or Head of Year, how their son is settling into life in Ashfield. You will receive regular progress reports on your son's work throughout the year with a second full 'Parent / Teacher Information Afternoon' held in February / March. This offers you the opportunity of discussing your son's progress with the relevant teachers.

In Ashfield Boys' High School, we are committed to providing a high quality education. We have excellent standards of teaching and by working together we will do everything in our power to help your son, our boys, achieve their goals, aspirations and dreams.

I look forward to working with you and your son, over the next seven years, and watching your son grow into the man he was born to be.

Mobile Phones & Valuables

As the school is not insured for lost or stolen personal belongings, it is our recommendation to parents to ensure that boys leave all valuables at home. Pupils who are seen using a mobile phone during school hours will have it confiscated and deposited in the school office where it can be collected by the pupil at the end of the school day. Therefore, boys should have their mobile phone switched off when in school.

Bicycles

If any boy is coming to school on a bicycle, then the following rules must apply: -

- Written permission must be sought from the school
- The bicycle must meet the normal safety requirements
- The bicycle must be put in the appropriate area, first thing in the morning, and collected at the end of the school day
- The bicycle must not be lent to any other pupil
- The normal road safety regulations must be adhered to on the way to and from school

Attendance

We strive for full attendance from all of our boys. However, we appreciate that, from time to time, boys can become ill. With this in mind we set every boy a minimum attendance target of 95%. We will inform you on a monthly basis of your son's attendance record. If attendance falls below unacceptable levels then we refer to the Educational Welfare Service at the Education Authority, Belfast Region.

To encourage good attendance, we regularly reward boys with credits, school trips, certificates and various other special prizes. If your son is absent from school, you must verify his absence by sending in written confirmation of the dates he was off school and the reason for his absence. This written explanation should be sent to his Form Teacher

Reading

As a school we value the importance of reading and the role it plays across the whole curriculum. Consequently, the school has an Intensive Reading Programme. During registration pupils select from class libraries and read for the first 10 minutes. All boys in Years 8 – 10 are actively involved in the Accelerated Reading Programme. We also provide reading support for those boys who need extra assistance.

Form Teachers

The school door opens at 8.30 am for all boys. Breakfast can be purchased in the canteen. Each morning at 9.00 am, when the school bell rings, boys report to their Form Room. The Form teacher will call the class roll, collect any absence or lateness notes and will arrange for dinner tickets to be issued.

Heads of Year (HOY)

The Head of Year 8 is **Mrs N Simpson** and she has overall responsibility for the whole year group. Mrs Simpson, along with her Assistant Head of Year, **Mrs D MacIntrye**, will regularly monitor the behaviour, attendance, punctuality, uniform, class reports and progress of the Year 8 boys. Mrs Simpson is happy to discuss with you your son's progress or any concerns that you might have. If you ever wish to speak with Mrs Simpson, then please contact the school office and make an appointment at a time that is mutually suitable.

All Enquiries, Issues or Concerns should be made, in the first instance, to Mrs Simpson.

It is important that parents do not approach teachers directly in school without a prior appointment. As a school we will help all parents and boys with any issues or concerns they might have. However, it is important that we do so via the correct channels.

If you would prefer not to meet with Mrs Simpson, then a suitable time can be made for you to meet with either the school's **Vice Principal or Assistant Vice Principal** (appointments to be made via the school office): -

- Vice Principal: - Mr. A Duffield, (Pastoral Care and Support)
- Assistant Vice Principal: - Mr. C McKnight, (Curriculum / Academic Issues)

Alternatively, the Principal, Mr J McColgan, is available to discuss any concerns you might have. If you would like to meet with the principal, please contact the school's office to arrange a mutually suitable time.

Counselling Support

Boys sometimes have concerns which they need to discuss with someone. In Ashfield Boys' High School, we have a full-time Counsellor Support Coordinator. Any pupil, or parent, can make an appointment to see our Counsellor at any time. If you would like to arrange a confidential consultation, then please contact the school office who will arrange a suitable time for you to meet.

We want all boys and parents to know that we are here to help. If at any time you want to discuss a concern, worry or issue then please do not hesitate to contact us. If you are faced with an emergency and believe that it would be best to meet with someone in school, then please contact us immediately. Alternatively come up to the school office and someone will meet with you as soon as is humanly possible. We will do all we can to help you.

We also have access to the Department of Education's counselling service Family Works and a number of useful outside agencies who are equally willing to help.

Tracking Pupil Progress

Throughout the school year we will formally monitor your son's academic progress. This will happen at Hallowe'en, February, and June. We will contact you, on each of these key dates, and let you know how your son is progressing. If your son is not working to his full potential, then we will meet with you directly and discuss strategies to ensure that we help your son get back on task.

On these key dates we will: -

- **Hallowe'en** contact parents directly informing them of how their son is progressing. If a meeting is needed, it will be arranged with the Assistant Head of Year for Year 8
- **February** contact made with parents outlining progress to date; also an invitation and appointment to attend your son's parents' information evening. If necessary, a meeting will be arranged with the Assistant Head of Year for Year 8
- **June** end of year report

There are a number of occasions throughout the school year when you will be invited to attend meetings or parent information evenings. We will do all that we can to arrange a suitable time for you to meet with us. I am sure that you agree with us in recognising the importance of attending such meetings.

Homework

We believe that all boys should complete homework regularly. A homework timetable and a Homework Record Book / Student Planner is issued to each pupil in September.

- **Pupils** must keep a record of their homework.
- **Subject teachers** will only sign the homework page where work has not been done properly.
- **Form teachers** will sign the homework page each Friday
- **Parents** are asked to check their son's diary regularly and sign it for each Friday. Where a boy's work is unsatisfactory, parents are asked to complete the comment section stating what action they have taken.
- **Boys** will receive on average 1-hour homework per day, Monday to Thursday. A homework time-table will be issued to each boy at the start of the year. If boys appear to have no homework on a regular basis, parents should contact the Head of Year.

CHILD PROTECTION & SAFEGUARDING

In this regard we are informed by the regional Child Protection Policy and Procedures.

The area of child protection often causes anxiety. It is the aim of Ashfield Boys' High School to address this issue in a clear and direct manner.

It is our statutory responsibility to ensure that procedures are in place that will offer our pupils as much protection as possible. Section 3.96 of the Regional Policy and Procedures highlights the ways schools can help to protect pupils.

Child protection in schools has three main elements:

- Through the curriculum pupils are encouraged to develop strategies to keep safe.
- Through vetting to ensure that only suitable persons work with pupils.
- Through responding appropriately when child abuse concerns are raised about an individual

The school has in place a **Safeguarding Team** which is responsible for the safety and protection of pupils. This group includes: The Designated Teacher for Child Protection, the Principal, nominated member from the Board of Governors, Vice- Principal / Head of Pastoral care and Deputy Designated Teacher.

The Designated Teacher for Child Protection is **Mr K Millar**. In his absence, **Mr A Duffield** or **Mr C McKnight** will assume responsibility for child protection matters.

If a child makes a disclosure to a teacher or other member of staff which gives rise to concerns about possible abuse, or if a member of staff has concerns about a child, **the member of staff must act promptly**.

He/she should not investigate - this is a matter for the PSNI and or Social Services - but should report these concerns immediately to the designated teacher, discuss the matter with him, and make full notes.

The designated teacher will discuss the matter with the Principal as a matter of urgency to plan a course of action, and ensure that a written record is made.

The Principal, in consultation with the designated teacher, will decide whether, in the best interests of the child, the matter needs to be referred to Social Services and or PSNI. **If there are concerns that the child may be at risk, the school is obliged to make a referral**. Unless there are concerns that the parent may be the abuser, the parents will be informed immediately.

The Principal may seek clarification or advice and consult with the Education Authority's designated officer or the Senior Social Worker before a referral is made. No decision to refer a case to Social Services will be made without the fullest consideration and on appropriate advice.

The safety of the child is our first priority and our 'Duty of Care'.

Bullying

Bullying is a highly distressing and damaging form of abuse and is not tolerated in our school. All staff are vigilant at all times to the possibility of bullying occurring, and will take immediate steps to stop it happening, to protect and reassure the target of bullying type behaviour. Parents of both the target of bullying type behaviour and the pupil displaying bullying type behaviours will be personally contacted immediately bullying behaviour is identified.

Any complaint regarding bullying will be fully investigated by the Pastoral Care and Support Team and supports will be offered to help and protect the target of bullying type behaviour. The pupil displaying bullying type behaviours will be dealt with in line with the School's Positive Behaviour Policy and their future behaviour monitored very closely.
